“The Virtues Project Training...helps me be a better parent by understanding that words have power, and everyone likes to be spoken to in a kind, positive manner. It changes my mood since instead of saying ‘no’ or ‘don’t do that,’ I ask them to be patient or flexible ... Utilizing the Virtues in my parenting helped me eliminate the negative labels ... Thank you again for having this wonderful seminar teaching us tools that can empower us on a daily basis.” --Eileen and Jamie Seligman, parents

Co-sponsored by the Rockville Community Nursery School and the Unitarian Universalist Church of Rockville
