Pastoral Care

Pastoral care is how we support, nurture and strengthen our beloved community through love, trust, and service.

The Minister of UUCR provides confidential pastoral care across our congregation through visits, meetings, phone calls, etc. Pastoral care:

- ◆ encourages healing through spiritual reflection and engagement of deep questions that lead toward wholeness;
- ◆ supports people in sustaining their faith in the midst of life challenges;
- ◆ can serve in guiding people facing difficult questions and crisis in a warm and caring environment;
- ◆ can support reconciliation between members, couples, within families and with a person's past;
- ◆ provides nurturing spiritual growth and development along life's journey.

The Pastoral Care Team and Ministerial Interns coordinate food, rides to the doctor, child care support, cards, and calls to those needing an ear to listen. We connect with those who are not here on Sunday mornings. We do what we can and help with referrals to community support.

Pastoral Care Assistance

Ask for pastoral care assistance when you:

- ◆ need support in going through an illness, surgery, or disability;
- ◆ are having a life crisis or grieving a loss;
- ◆ are undergoing a major transition in your life and feel alone;
- ◆ are having a baby and need help;
- ◆ know someone at UUCR who needs help.
